

Natur.Küche Kufstein

A monthly secret dinner with products from regional producers

From May to September 2016 the new Natur.Küche project will start in the Kufsteinerland region: once a month a regional culinary establishment invites you to dine with them. The best feature: both the dishes and the location are a secret!

The backdrops are handpicked locations in and around Kufstein; unusual locations and spaces that represent the unique charm of the region. Suffice to say: "normal" restaurants are not on the list!

The focus of the event is on regional products and local producers: only traditional dishes (with a modern twist) are served, and enjoyed in a sociable and cosy atmosphere. This purposefully connects the wonderful natural landscape around Kufstein with regional culinary delights.

Starting event on May 6th: Felsen.Küche

The kick-off to the event series is on May 6th, 2016 at 7:30 pm as part of the Street Food Market Festival Kufstein (May 6th - 8th) under the motto Felsen.Küche. The meeting point for all participants is at 7:00 pm at the TVB office Kufstein, and they will then be led to the secret event location. Please reserve at the tourist office Kufsteinerland by phone or email. A voucher will be issued in advance.
